INTRODUCING SMARTHOME APPLIANCE COVER

Flexible breakdown cover from as little as **R145** PM

SmartHome is here to take care of your home's heroes, which is why our flexible appliance cover goes where your typical insurance and warranties won't: insuring your major household appliances against all mechanical and electrical breakdowns.

But don't think insurance; think insurance – the kind of peace of mind that comes with knowing that someone's got your back (and will get your home back on track).

Because whatever we can't repair, we'll replace.
Swiftly, simply, smartly.

IF YOUR APPLIANCES EVER TAKE A DAY OFF, WE'VE GOT YOU COVERED

- Access to reputable repairers
- A maximum of 5 days to source parts
- Full repairs or replacements with similar quality and the same product specifications.
- Affordable premiums with no excess
- No unexpected costs

WHAT WE COVER

Breakdowns

Once you've selected the appliances you wish to cover, they'll be protected against any mechanical or electrical breakdown - limited to R20 000 per appliance.

Replacements

SmartHome Appliance Cover includes the replacement of your appliances' components and, where necessary, the appliances themselves.

Your appliance will be replaced with a similar brand or quality appliance if:

- It is not repairable
- It is uneconomical to repair
- There are no parts available

WHAT WE DON'T COVER

Your cover is subject to the terms and conditions of the manufacturer's standard warranty. This means, if the appliance is still guaranteed, you must lodge a claim under the existing warranty before submitting one to SmartHome.

General exclusions include:

- Natural disasters.
- Damage to remote controls.
- Fire damage.
- Failure due to faulty workmanship by unauthorised repairers.

For the full list of exclusions, please download our policy document at getsmarthome.co.za

PERIOD OF COVER

SmartHome Appliance Cover is a monthly policy that's as easy to maintain as it is to customise. Your plan will renew each month for as long as your premium is paid via debit order.
